LAIPLA is pleased to announce our next dinner meeting will be held on Thursday, January 26, 2012 at The California Club. Our guest speakers will be Bill Rooklidge and Martha Gooding of Jones Day.

In opinions from *Lucent v. Gateway* to *Uniloc v. Microsoft*, the Federal Circuit has emphasized the need for increasing rigor in presenting and reviewing a claim for reasonable royalty patent infringement damages, and litigants and trial courts alike have struggled to explore the outlines of this damages regime. A host of recent trial court orders on *Daubert* and *in limine* motions, as well as on JMOL and new trial motions, have provided data points that our speakers will assemble into a portrait of the evolving state of reasonable royalty patent infringement damages law and trial strategy.

We encourage you to invite your colleagues to join you for this informative event and look forward to seeing you on the 26th!
