

LAIPLA Sponsorship Opportunities September 2019 Through June 2020

About the LAIPLA:

The Los Angeles Intellectual Property Law Association (LAIPLA) is one of the nation's preeminent intellectual property law organizations and was established in 1934. LAIPLA has over 900 members that include lawyers who work at large, small and medium size law firms as well as government and in-house attorneys.

Overview of Events:

LAIPLA offers a diverse array of programming, including three full-day seminars that cover legal issues relevant to patent, copyright, trademark, trade secrets and other areas of IP. LAIPLA also offers programs geared toward bringing the judiciary and the local IP bar together, with our Judges' Night Gala and our LAIPLA Goes to Court Program. LAIPLA also offers programming for Young Lawyers, Women in IP, and Small Firm and Solo Practitioners.

As a non-profit organization that is continually growing to meet the needs of its membership, LAIPLA relies on the financial support of our generous Sponsors. This support is vital to LAIPLA's ability to continue to offer high-caliber, top-notch programming, including:

TechTainment: A unique full-day seminar offered in conjunction with Loyola Law School, TechTainment focuses on how cutting-edge technology affects the entertainment industry.

Washington in the West: This program, now in its 24th year, is a one-day seminar for patent prosecutors and practitioners appearing in matters before the PTAB. This program affords patent practitioners and trademark practitioners a unique forum to discuss issues directly with USPTO representatives.

Judges' Night Gala: Held in the historic Biltmore Hotel and honors the members of the judiciary who handle intellectual property matters. It also features an interactive discussion of current topics with a panel of prominent judges. At the Gala, LAIPLA presents its Public Service Award to a California Federal or State Court judge who has made a significant contribution to the community.

Spring Seminar Retreat: The premier LAIPLA event of the year, the Spring Seminar Retreat features panel discussions on the latest developments in intellectual property law. It also provides excellent networking opportunities at cocktail receptions and dinners, and allows time for relaxation and enjoyable outdoor activities, including a golf outing organized specifically for LAIPLA attendees.

Women in IP: LAIPLA offers programs geared toward promoting diversity as well as the advancement of women in the legal profession and includes networking opportunities.
